FARMVILLE

President Farmar is asking legislature to complete the building necessary to the comfort and convenience of school life at the Normal and then to give year by year a sum equal to the first sum of the enlarged educational plant. The State having established the school will not let it suffer for the want of proper support.

Mrs. Dr. White has at his office colored cook, and right in the yard and Dr. White has a "task" all the work to do of which is a fact. Since that he will not eat the food prepared in the old woman, but prefers to cook for himself. He has sent the "task" for the many years that is amazing that the housework machinery would run unless Mr. William was at home, and hence his considerations are understood. The average northern man will never understand the jealous rivalry between master and servant was born South in Dixie.

Mrs. Thos. Edmunds has joined her grandchildren at the country home of her father, Mr. A. S. Harris.

The Rev. H. H. Hawes, D. D. who died at Chatham, Pittsylvania County recently, was for thirteen years the beloved pastor of the Presbyterian church of this place.

Miss Lucy Jones, one of the leading teachers in our public schools has published a letter in which she strongly urges compulsory education for Virginia.

The land is deeper and yet the farmers with heavy loads of tobacco continue to reach our market.

Congressman Swithall has many warm friends here who rejoice at his rapid recovery from dangerous illness. Farmville is also grateful for new mouth ads. The last to come in a representative from Richmond.

The warm weather has clothed our tardy peaches in the green of spring.

If eggs were only 5 cent apiece what a royal time we would have.

Where the logs come from I can't conceive and yet the Farmville Manufacturing Co. is busy sawing away.

The question is often asked, are we to have an ice spell? I pass the query on to the next man—no spell or not, Farmville should have the ice plant. Farmville once had a Board of Trade, and Farmville should have a Town Improvement or ganization composed exclusively of ladies. We need more good walk ways, especially one leading to High St. and the Normal, and more grass plots, and more flowers and more shade trees.

The recent Normal graduates have gone and we miss them.

Two months' trade in our County will soon be over.

With the new floor the skating rink will be even more popular.

Capt. Heath is one of the most progressive militant men in the State. He has a company that fully appreciates his work in keeping his company up to a high degree of efficiency.

The friends of Mr. and Mrs. Eagle fell sincere with them in the death of their little child—it is well with the child" though the dark shadow rests on home and heart.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable

...now everybody who reads the news ...is sure to ...of the cures made by Dr. ...Kidney Pills. It is the great kidney remedy of the world. It is the great medical triumph of the nineteenth century.
